

# 2008 BASEBALL UMPIRES Manual

This is the one resource covering standardized mechanics expected from all college baseball umpires across the country. It's the one source covering the only approved mechanics used in NCAA play. Umpires receive updated, must-have rules and mechanics information being addressed at camps and clinics throughout the country. Plus pick up some great tips on improving your ability to anticipate plays and react quicker.

#### Includes:

- New points of emphasis addressed for the 2008 season
- General principles and guidelines
- Mechanics breakdown for crews of two, three, four and six – all in one resource
- More than 100 of *Referee's* exclusive *MechaniGram™* illustrations clarify plays
- And much more!
